

Baldwin

design Jean Marie Massaud

Caratteristiche tecniche - Tavolino disponibile in tre altezze, realizzato in massello di frassino e multistrato impiallacciato. Piano in vetro colorato NCS/RAL, marmo o frassino della stessa finitura scelta per la struttura.

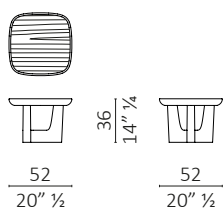

Technical features - Low table available in three heights, made in solid ash and veneered plywood. Top in NCS/RAL coloured glass, marble or wood in the same finish chosen for the structure.

Nota - Specificare la finitura del legno, tra quelle presenti a campionario. Per la versione con il piano in vetro specificare il colore NCS o RAL.

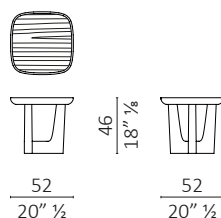

Note - Specify the wood finish from the available samples. For the version with the glass top specify NCS or RAL color.
