

604 Desk

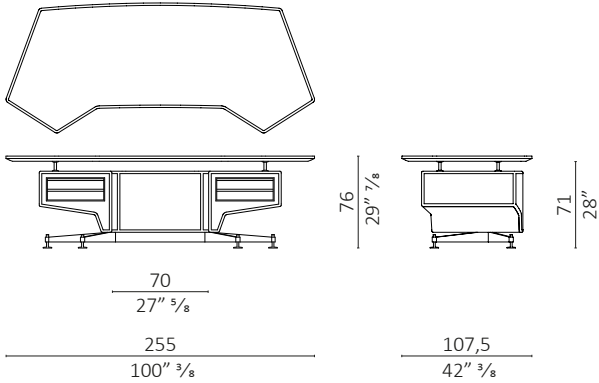

design Mario Gottardi

Caratteristiche tecniche - Scrivania realizzata in massello di noce americano e multistrato impiallacciato con 4 cassetti, rivestita in pelle. Piano sorretto da distanziali in ottone naturale e realizzato in legno, pelle, vetro colorato o legno con sottomano centrale in pelle. Base in metallo finitura bronzo, con piedini regolabili e battitacco in ottone naturale.

Technical features - Desk made of solid American walnut and veneered plywood, featuring four drawers and leather upholstery. The top is supported by natural brass spacers and is available in wood, leather, colored glass, or wood with a central leather desk pad. Metal base with a bronze finish, adjustable feet, and a natural brass footrest.

Nota - Specificare la finitura del legno, fra quelle presenti a campionario. Nell'opzione con piano in pelle, il piano si presenta diviso in tre sezioni con cornice in legno e rivestimento in pelle. Gli elementi realizzati in ottone non trattato sono soggetti a ossidazione.

Note - Specify the wood finish from the available sample. In the leather top option, the top is divided into three sections, with a wooden frame and leather upholstery. Components made from untreated natural brass are prone to oxidation.
